STRATEGIC PARTNERSHIP RESOLUTION

CMF Farmers Producer Company Limited

Resolution for Strategic Marketing, Sourcing and Supply Partnership with Adhiraiyan Agro Solution private limited.

Date: 18th June, 2026

Venue: Registered Office of CMF Farmers Producer Company Limited

PREAMBLE

CMF Farmers Producer Company Limited ("CMF FPO"), a Farmer Producer Organization representing approximately **7,000+ farmers** directly and through associated Farmer Producer Organizations across **Andhra Pradesh and Telangana**, is committed to enhancing market access, ensuring fair remuneration to farmers, and establishing sustainable agricultural value chains.

Adhiraiyan Agro solution private limited. has expressed interest in procuring and marketing agricultural commodities through CMF FPO and has conveyed its commitment towards timely and complete payment for agricultural produce supplied under mutually agreed commercial terms.

Considering the mutual benefits arising from such collaboration, the Board hereby resolves to establish a strategic sourcing and marketing relationship with Adhiraiyan Agro solution private limited. under the terms and conditions detailed below.

RESOLUTION

"RESOLVED THAT" CMF Farmers Producer Company Limited shall enter into a strategic business association with **Adhiraiyan Agro solution private limited** for the sourcing, aggregation, quality assurance, marketing and supply of agricultural commodities, horticultural produce, processed farm products, and allied agricultural products sourced from member farmers and associated FPOs.

1. OBJECTIVES OF THE PARTNERSHIP

The objectives of the partnership shall be:

a) Market Linkage

To create sustainable and long-term market opportunities for member farmers through organized procurement and supply arrangements.

b) Farmer Welfare

To ensure better price realization and market access for farmers associated with CMF FPO and partner FPOs.

c) Quality Assurance

To establish robust quality control mechanisms ensuring that supplied products meet customer specifications and agreed standards.

d) Supply Chain Development

To strengthen agricultural supply chains through aggregation, grading, sorting, packing, logistics coordination and traceability.

e) Business Growth

To jointly develop domestic and export market opportunities for agricultural commodities.

2. ROLE OF CMF FARMERS PRODUCER COMPANY LIMITED

CMF FPO shall:

2.1 Farmer Network Management

- Mobilize produce through its network of approximately 7,000+ farmers and associated FPOs.
- Identify suitable farmer clusters based on crop availability and quality requirements.
- Coordinate production planning whenever required.

2.2 Aggregation and Procurement

- Aggregate products from farmers and associated FPOs.
- Ensure adequate quantity availability as per demand projections.
- Maintain procurement records and traceability documentation.

2.3 Quality Management

- Ensure strict adherence to mutually agreed quality specifications.
